Minutes of an extraordinary meeting of  
Thorne Parish Council, to discuss the Hedera  
planning application, on Friday 19 MAY 2017 at 7.30pm

Present J. Molineux (chairman) D. Cook, P. Roll, and  
six parishioners.

Apologies received from C. Bondi.

The chairman had decided prior to the meeting  
that should any of the applicant's family attend, he  
would politely ask them not to attend, as he thought  
their presence would not be helpful at this stage.  
They had attended previous meetings, answered  
questions, and taken part in discussions.

Several minutes after the meeting had started, two  
members of the family arrived, and after some  
initial surprise at the chairman's request, they left.

The chairman read ~~the~~ an in-depth report on the  
planning application, by Malcolm Cator, a parishioner,  
and retired architect, and much discussion followed.

It was decided that Mr. Cator would be asked to  
type up his report to send to the B.A. planning authority.  
The other parishioners would write to the B.A. setting  
out their views, and the parish council would respond  
on behalf of the rest of the village.

The meeting closed at 8.30pm.
